<u>ABSTRACT</u>	iii
ACKNOWLEDGEMENTS	v
TABLE OF CONTENTS	vi
LIST OF TABLES	viii
LIST OF FIGURES	xi
ABBREVIATIONS	xii
<u>CHAPTER 1</u> INTRODUCTION	1
1.1 Background and Rationale of Study	1
1.2 Purpose of Study	6
1.3 Scope of Study	6
1.4 Expected Outcome	7
<u>CHAPTER 2</u> LITERATURE REVIEW	c2-1 8
2.1 Theories and Concepts Concerned	8
2.2 <u>Researches Concerned</u>	c2-3 80
2.3 Research Framework	95
<u>CHAPTER 3</u> RESEARCH METHODOLOGY	97
3.1 Population and Sample	97
3.2 Operational Definitions and Research Instrument	102
3.3 Data Collection	110
3.4 Data Analysis	110
3.5 General Characteristics of Sample	116

<u>CHAPTER 4</u> PREMARITAL SEX	126
4.1 Sexual Behaviors Indicating the Onset of Adolescence	126
4.2 Sexual Debut	129
4.3 Premarital Sex	133
4.4 Age at First Intercourse	168
<u>CHAPTER 5</u> ADOLESCENTS' RESPONSIBILITY AND SAFER SEX	180
5.1 Contraception Use during Sexual Intercourse	180
5.2 Determinants of Adolescents' Contraception	187
<u>CHAPTER 6</u> ADOLESCENTS' SEXUAL AND REPRODUCTIVE HEALTH	209
6.1 Adolescents' Reproductive Hygiene	209
6.2 Determinants of Adolescents' Reproductive Hygiene	216
<u>CHAPTER 7</u> CONCLUSION AND RECOMMENDATIONS	239
7.1 Conclusions	241
7.2 Recommendations	250
<u>BIBLIOGRAPHY</u>	257
APPENDIX A: <u>Matrices of Simple Correlation Coefficients</u>	273
APPENDIX B: <u>Questionnaire</u>	277
<u>BIOGRAPHY</u>	315

LIST OF TABLES

Tables	Page
2.1 Outline of Operant Behavior Change Methods	14
2.2 The Study of Adolescents' Sexual Intercourse	31
2.3 Sexual Attitudes of Male and Female Adolescents	74
3.1 Population and Sample Classified by Grade Level	98
3.2 Number of Student Sample Classified by Region, School District and Province	100
3.3 Number of Student Sample (Male and Female) Classified by Province and Grade Level	100
3.4 Measurement of Variables	111
3.5 Percentage of Personal Characteristics and Background of Male and Female Adolescents	117
3.6 Percentage of Socialization Factors of Male and Female Adolescents	120
3.7 Person Whom Adolescents Wanted to Consult Most about Sex Behavior	121
3.8 Sources of Information from Which Adolescents Searched for Knowledge about Sex	121
3.9 Percentage of Adolescents Who Received Knowledge of Sexual and Reproductive Health Classified by Type of Mass Media	122
3.10 Percentage of Social and Cultural Factors Concerning Sexual and Reproductive Health of Male and Female Adolescents	124
3.11 Percentage of Life Skill Concerning Sexual Behaviors of Male and Female Adolescents	125
3.12 Knowledge and Understanding of Definitions of Good Sexual and Reproductive Health of Adolescents	125

4.1 Percentage of Sexual Changes at the Onset of Adolescence in Male and Female Adolescents	127
4.2 Percentage of Sexual Debut of Male and Female Adolescents	131
4.3 Percentage of Premarital Sex of Male and Female Adolescents	134
4.4 Percentage of Male and Female Adolescents' Sexual Experience Classified by Selected Background	142
4.5 Analysis of Hierarchical Logistic Regression to Study the Determinants of Adolescents' Premarital Sex	146
4.6 Percentage of Knowledge and Understanding of Responsibility and Safer Sex of Adolescents Classified by Items	159
4.7 Analysis of Logistic Regression to Study the Determinants Male and Female Adolescents' Premarital Sex	164
4.8 Life Table Analysis of Male Adolescent Premarital Sex	169
4.9 Life Table Analysis of Female Adolescent Premarital Sex	170
4.10 Analysis of Multiple Regression to Study the Determinants of Male and Female Adolescents' Age at First Intercourse	175
5.1 Percentage of Contraceptive Use by Male and Female Adolescents during Intercourse	181
5.2 Percentage of Experience of Pregnancy, Induced Abortion and Sexually Transmitted Diseases of Adolescents	184
5.3 Percentage of Adolescent's Male and Female Contraceptive Use during Having Intercourse Classified by Selected Background	189
5.4 Analysis of Logistic Regression to Study the Determinants of Adolescents' Contraception	193
5.5 Percentage of First Behavior Chosen to Avoid Sexually Transmitted Infections/HIV/AIDS of Adolescents	202
5.6 Analysis of Logistic Regression to Study the Determinants of Male and Female Adolescents' Contraception	204
6.1 Percentage of Reproductive Organs Care of Male and Female Adolescents	210

6.2 Percentage, Mean Score (\bar{x}) and Standard Deviation (S.D.) of Adolescents' Reproductive Hygiene	215
6.3 Percentage of Male and Female Adolescents' Reproductive Hygiene Classified by Selected Characteristics	217
6.4 Hierarchical Regression Analysis to Study the Determinants of Adolescents' Reproductive Hygiene	224
6.5 Analysis of Multiple Regression to Study the Determinants of Reproductive Hygiene of Male and Female Adolescents	235
A.1 Matrices of Simple Correlation Coefficients of Independent Variables in Total Adolescent Model (n= 4,005)	274
A.2 Matrices of Simple Correlation Coefficients of Independent Variables in Male Adolescent Model (n= 1,830)	275
A.3 Matrices of Simple Correlation Coefficients of Independent Variables in Female Adolescent Model (n= 2,175)	276

LIST OF FIGURES

Figures	Page
2.1 An Interaction between Behavior, Cognition, other Personal Factors and Environment (E) Which is Reciprocal Causation	15
2.2 The Process of Observational Learning	19
2.3 Schematic Conception of Attitudes	69
2.4 The Relationship between Components of Communication of Meanings and an Individual's Internal Process When Changing an Attitude When Changing an Attitude	71
2.5 A Studied Conceptual Framework	96
3.1 Sampling Method	101
4.1 Probability Density of Males and Females Adolescent Having Premarital Sex Premarital Sex	172
4.2 Hazard Rate of Males and Females Adolescent Having Premarital Sex	172

ABBREVIATIONS

Abbreviations

Equivalence

AGE	Age
ATT	Attitude towards sexual and reproductive health
FAM	Socialization from family
FRIEND	Socialization from friend
GEN	Gender
GPA	Grade point average
KNOW	Knowledge of sexual and reproductive health
LIVE1	Living with parents
LIVE2	Living with single parent
LIVE3	Living with relatives or adults
LSKILL1	Refusal skill
LSKILL2	Ability in coping with sexual problems
MEDIA	Socialization from mass media
MEDU1	Mother's education (no schooling/primary education)
MEDU2	Mother's education (secondary education/diploma)
REGION1	North
REGION2	Central
REGION3	Northeast
REGION4	Bangkok Metropolis
RH	Reproductive hygiene
SAFSEX	Knowledge or understanding of responsibility and safer sex
SAREA	School district
SCHOOL	Socialization from school
VALUE	Sexual value
