<u>ABSTRACT</u>	iii
ACKNOWLEDGEMENTS	v
TABLE OF CONTENTS	vi
LIST OF TABLES	ix
LIST OF FIGURES	xii
<u>CHAPTER 1 INTRODUCTION</u>	1
1.1 Motivation and Objectives of the Research	1
1.2 Research Questions	3
1.3 Contributions	6
1.4 Structure of the Study	8
<u>CHAPTER 2 THEORETICAL FRAMEWORK AND SEGMENT REPORTING OF FIRMS IN THAILAND</u>	9
2.1 Segment Reporting Practices	9
2.1.1 The General Framework of Disclosure	9
2.1.2 Segment Disclosure Requirements in Thailand	12
2.2 The Decision Usefulness	24
2.2.1 The Fineness Theorem	25
2.2.2 Other Theoretical Frameworks	26
<u>CHAPTER 3 LITERATURE REVIEW</u>	34
3.1 The Usefulness of Financial Reporting	34
3.1.1 The Usefulness of Accounting Information in Foreign Countries	35
3.1.2 The Usefulness of Accounting Information in Thailand	41

3.2	The Empirical Evidences of Segmental Disclosures	45
3.2.1	Studies on Segment Reporting in Practice	46
3.2.2	Studies on the Usefulness of Segmental Information	52
<u>CHAPTER 4</u> HYPOTHESES DEVELOPMENT AND RESEARCH DESIGN		71
4.1	How do Listed Companies Disclose their Segment Information?	73
4.1.1	Data Sources and Sample Selection	75
4.1.2	Research Methodology	77
4.2	Are Segmental Disclosures of Listed Companies in the Notes of Financial Statements Consistent with Those in Other Parts of the Annual Reports in 2005?	82
4.2.1	Data Sources and Sample Selection	83
4.2.2	Research Methodology	83
4.3	Does Segment Data Provide Incremental Information beyond That Contained in the Firm Level Data?	91
4.3.1	Hypotheses Development	92
4.3.2	Data Sources and Sample Selection	95
4.3.3	Research Methodology	97
4.4	Is Future Performance More Strongly with Segment Reporting Information Than with Aggregated Information?	100
4.4.1	Hypotheses Development	100
4.4.2	Data Sources and Sample Selection	103
4.4.3	Research Methodology	103
<u>CHAPTER 5</u> THE EMPIRICAL RESULTS OF SEGMENT REPORTING PRACTICES IN THAILAND		c5-1 107
5.1	How do Listed Companies Disclose their Segment Information?	107

5.2	<u>Are Segmental Disclosures</u> of Listed Companies in the Notes of Financial Statements Consistent with Those in Other Parts of the Annual Reports in 2005?	c5-2 159
5.2.1	Analysis of Multiple Classes of Segment Disclosures	160
5.2.2	Analysis of Single Class of Segment Disclosures	169
<u>CHAPTER 6</u>	THE EMPIRICAL RESULTS OF THE USEFULNESS OF SEGMENTAL INFORMATION	177
6.1	Does Segment Data Provide Incremental Information beyond That Contained in the Firm Level Data?	177
6.2	Is Future Performance More Strongly Associated with Segment Reporting Information Than Aggregated Information?	189
6.2.1	The Association of Segment Earnings with Future Earnings	190
6.2.2	The Association of Segment Sales with Future Sales	200
<u>CHAPTER 7</u>	CONCLUSIONS AND IMPLICATIONS	209
7.1	Segment Reporting in Practice in Thailand	209
7.2	The Quality of Segment Reporting	215
7.3	Further Research	217
<u>BIBLIOGRAPHY</u>		219
<u>BIOGRAPHY</u>		229

LIST OF TABLES

Tables	Page
2.1 The Major Difference of Segmental Disclosure Requirements among TAS No.24, SFAS No.14, and IAS No.14	15
2.2 Summary of Required Disclosure for an Enterprise's Primary Segment Reporting Format	20
2.3 Summary of Other Required Disclosures in TAS No.50	22
4.1 Numbers of Firms Included in this Study	76
4.2 Comparison between the Scope of Segmental Disclosures of TAS No.24 and of TAS No.50	80
4.3 Summary the Procedure for Considering the Nature of Segmental Disclosures	81
4.4 The Examples of the Consistency Analysis of Multiple Classes of Segmental Disclosures with the Other Parts of Annual Reports in 2005	87
4.5 The Examples of the Consistency Analysis of Single Class of Segmental Disclosures with the Other Parts of Annual Reports in 2005	90
4.6 Summary the Procedure for Considering the Consistency of Segmental Disclosures in 2005	91
4.7 Reporting of Information in Line with Accounting Period	96
5.1 Disclosure Practices of Sample Companies	108
5.2 The Nature of Segmental Disclosures of Multi-Segment Firms	113
5.3 Types of Multi-Segments Reported under TAS by Industry Sectors of SET	116
5.4 The Nature of Geographic Reportable Segments	141
5.5 Number of Companies Disclosing Specific Items of Segment Information Comparison of Disclosures under TAS	143

5.6	Number of Companies Disclosing the Main Accounting Items (Classification by the Group of Items Required by TAS No.24)	148
5.7	The Number of Listed Companies which Voluntarily Apply TAS No.50 with their Financial Statements (1999-2005)	153
5.8	The Number of Multi-Segment Firms which Voluntarily Apply TAS No.50 in 1999-2005 (Classification Based on the Criteria of Figure 4.2)	156
5.9	Consistency of Reportable Segment Disclosures with Introductory Annual Report Information for Companies with Multi-Segment Classes	161
5.10	Consistency of Reportable Segment Disclosures with Revenue Structure for Companies with Multi-Segment Classes	164
5.11	Consistency of Reportable Segment Disclosures with Management Discussion and Analysis for Companies with Multi-Segment Classes	167
5.12	Consistency of Reportable Segment Disclosures with Introductory Annual Report Information for Companies with Single Segment Class	170
5.13	Consistency of Reportable Segment Disclosures with Revenue Structure for Companies with Single Segment Class	172
5.14	Consistency of Reportable Segment Disclosures with Management Discussion and Analysis for Companies with Single Segment Class	174
6.1	Number of Firms in Sample when Considering the Value Relevance of Segment Earnings	178
6.2	Database and Sample Descriptive Statistics for 1994-2005 when Testing the Value Relevance of Segment Earnings	179
6.3	Correlation Coefficients when Testing the Value Relevance of Segment Earnings	183
6.4	Regression Results for Relative Usefulness of Firm-level Figures and Segment-level Figures (When Testing the Association between Price and Segmented Earnings)	186

6.5	Number of Firms in Sample when Considering the Association of Segment Earnings with Future Earnings	190
6.6	Database and Sample Descriptive Statistics for Testing Association of Segment Earnings with Future Earnings	191
6.7	Correlation Coefficients when Testing for Testing Association of Segment Earnings with Future Earnings	194
6.8	Regression Results for Relative Usefulness of Firm-level Figures and Segment-level Figures (When Testing the Association between Future Earnings and Segmented Earnings)	196
6.9	Number of Firms in Sample when Considering the Association of Segment Sales with Future Sales	200
6.10	Database and Sample Descriptive Statistics for Testing Association of Segment Sales with Future Sales	201
6.11	Correlation Coefficients when Testing the Value Relevance of Segment Sales	203
6.12	Regression Results for Relative Usefulness of Firm-level Figures and Segment-level Figures (When Testing the Association between Future Sales and Segmented Sales)	205

LIST OF FIGURES

Figures		Page
1.1	Framework of the Study	6
2.1	Financial and Information Flows in a Capital Market Economy	10
2.2	Summary of TAS No.24, Reporting Financial Information by Segments	13
2.3	Segment Definition Decision Tree Based on TAS No.50	18
2.4	Summary of Required Disclosure for an Enterprise's Secondary Segment Reporting Format	21
4.1	Time Continuum of Critical Event in the Development of Segment Reporting in Thailand	71
4.2	The Classification Criteria for Considering Which Firms Have Voluntarily Reported Information Based on TAS No.50	79
4.3	The Procedure of Considering the Consistency Analysis of Multiple Classes of Segmental Disclosures with the Other Parts of Annual Reports in 2005	85
4.4	The Procedure of Considering the Consistency Analysis of Single Class of Segmental Disclosures with the Other Parts of Annual Reports in 2005	89
4.5	The Conceptual Diagram of the Fourth Research Question	102
5.1	Percentages of Listed Companies Reporting Multi-Segment Information in Notes of Financial Statements (1994-2005)	112
5.2	The Percentages of Multi-Segment Firms (Excluding Firm Disclosing as Company Group) Based on Each Industry of SET	135

5.3	The Percentages of Firms Disclosing Segmental Information by Using Only Industry/Line-of Business Format Based on Each Industry of SET	137
5.4	The Percentages of Firms Disclosing Segmental Information by Using Only the Geographical Format Based on Each Industry of SET	138
5.5	The Percentages of Firms Disclosing Segmental Information by Using Both Industry/Line-of Business and Geographical Format Based on Each Industry of SET	139
